The Fete

Capel Fete has been an annual event in the parish of Capel, for more years than anyone can remember and the procession is now in its 22nd year. The fete

provides not only a fun event for the whole community but also provides extremely valuable funds for a large number of local charities, organisations and parish groups. For many of these organisations it is their main fundraising event of the year.

The fete is arranged each year by a committee of volunteers who are dedicated to the preservation of this annual event for the community. The Fete Committee are very grateful to the local businesses and organisations that provide both financial and practical support for this community cause.

In 2013 we hope to bring a sporting theme to the fete with "Olympic Legacy - a year on from 2012" by showcasing many local sports clubs and activities and letting people attending the fete try out many of these sports.

Fete Sponsors

We are extremely grateful for the following companies who have provided sponsorship for this year's fete. Without this sponsorship, the fete would not go ahead so please show your support for these companies and visit our sponsors tent to view their details.
